PROFESSIONAL SUMMARY

Sr. HTML Developer with **4+** years of proven experience in building responsive, SEO-optimized, and accessible web interfaces using HTML5, CSS3, JavaScript, and modern frontend frameworks. Proficient in implementing pixel-perfect designs from PSD/Figma, optimizing performance, and ensuring cross-browser compatibility. Skilled in leveraging Tailwind CSS, Bootstrap, Material UI, React.js, and Next.js to build scalable UI components. Strong understanding of semantic HTML, mobile-first design, and Git-based version control in Agile environments.

WORK EXPERIENCE

TRooTech Business Solutions Pvt. Ltd.- Ahmedabad

Mar 2024 - Present

- Developed accessible, responsive websites using React.js, Next.js, and Material UI, focusing on performance, reusability, and scalability.
- Reduced UI code repetition by 30% through reusable component development using Atomic Design.
- Improved page load speed by 40% by optimizing images, lazy-loading components, and refining CSS delivery.

Nectarbits Pvt Ltd. – Ahmedabad

Oct 2023 - Mar 2024

- Customized and maintained websites, applying SEO best practices, schema markup, and responsive design.
- Used Sass (SCSS) for modular CSS architecture to improve maintainability and scalability.
- Built custom websites with semantic HTML5, clean CSS, and JavaScript to enhance structure and speed.

Cirkle Studio Pvt. Ltd. – Surat

Jun 2022 - Oct 2023

- Created pixel-perfect user interfaces from Figma designs without using third-party libraries, ensuring clean and accurate layouts.
- Optimized websites for cross-browser performance (Chrome, Firefox, Safari, Edge).
- Maintained consistent design across pages and improved website cloning process.
- Implemented on-page SEO strategies (meta tags, alt text, semantic tags) to improve site visibility.

Connect IT Hub - Gandhidham

Oct 2021 - May 2022

- Converted PSD and Figma designs into responsive HTML web pages.
- Developed websites using Bootstrap, ensuring mobile responsiveness and clean layout structure.
- Maintained and updated existing websites to ensure full functional.
